QUALIFICATIONS REQUIRED (if the position is announced at multiple grade levels, these qualifications describe the full performance level, unless otherwise specified. The position description, immediate supervisor, and/or NRC Manual chapter and Appendix 4108 can be consulted for more detailed qualification requirements and/or interpretation of qualifying experience.)

Knowledge of the physical sciences equivalent to that obtained by completing science courses required for a Bachelor's Degree in one of the physical sciences such as chemistry or physics or engineering disciplines or professional scientific or engineering experience that evidences having such knowledge. Experience in reactor fuel enrichment, fabrication and chemical processing facilities with emphasis on nuclear safety in the design, operation and criticality safety of such facilities. At least one year of this experience must have been at the next lower grade level or equivalent.

RATING FACTORS (Applicants are strongly encouraged to submit a statement addressing the Rating listed below.)

1. Demonstrated knowledge of physical, chemical or engineering science as it pertains to the operation, maintenance and design of nuclear fuel fabrication and chemical processing.

EXAMPLE: Describe specific experience, education, training and accomplishments which demonstrate your knowledge of physical, chemical or engineering science as it pertains to the operation, maintenance and

observations made and conclusions reached regarding conformance with NRC requirements, provisions of license and applicable industry codes and standards.

RATING FACTORS - CONTINUED

design of nuclear fuel fabrication and chemical processing.

2. Demonstrated knowledge of nuclear power plant operations.

EXAMPLE: Describe specific experience and training which demonstrates your knowledge of nuclear power plant operations.

3. Demonstrated ability to apply NRC regulations and industry standards for fuel facility operation.

EXAMPLE: Describe specific experience, training and accomplishments which demonstrate your knowledge of NRC and industry standards for fuel facility operations, engineering, maintenance and plant support consistent with that gained through completion of inspector qualifications.

4. Demonstrated ability to evaluate activities and events involving nuclear power plant and/or fuel facilities in the areas of plant operations, systems, procedures and design.

EXAMPLE: Describe specific experience, training and accomplishments which demonstrates your ability or potential to evaluate an operating nuclear power plant or fuel facility including observing, monitoring or reviewing integrated plant operations.

5. Demonstrated ability to communicate well both orally and in writing; ability to establish effective working relationships with supervisors, government and industry officials, co-workers, media personnel, NRC officials and senior management; ability to write inspection reports containing findings, analyses and conclusions.

EXAMPLE: Describe types of presentations you have made, to whom, and for what purpose. What types of original writing do you routinely perform? What are the most difficult writing assignments you have done? What made them difficult? Describe the type of working relationships you have established and maintained and with whom.

RATING FACTORS - CONTINUED

SALARY RANGE: \$45,708 to \$80,926

NOTE: Breadth of experience in the field, educational background, training, awards and commendations, past and current performance, and community activities will be reviewed as they relate to each of the above factors to determine the level of knowledge, skill or ability of candidates.

Reasonable accommodations will be made for qualified applicants or employees with disabilities, except when doing so would pose an undue hardship on the employing agency.

Veterans who are preference eligibles or who have been separated from the armed forces under honorable conditions after 3 years or more of continuous active service may apply.

VETERANS' PREFERENCE: If claiming 5-Point Veterans' Preference, you must attach a copy of your DD-214, Certificate of Release or Discharge from Active Duty, or other proof of eligibility. If claiming 10-Point Veterans' Preference, you must attach an SF-15, Application for 10-Point Veterans' Preference, plus the proof required by that form.

Current/Reinstatement-eligible Federal employees with status (tenure group 1 or 2) will be considered through merit promotion procedures under this announcement and must submit a copy of an SF-50 (Notification of Personnel Action) to verify competitive status or reinstatement eligibility. Please note: NRC employees do not have to submit an SF-50. Status applicants, both NRC employees and others, who wish to be considered under both merit promotion and competitive procedures must submit two complete application packages. If only one application is received, it will be considered under the merit promotion announcement only.

EXECUTIVE AGENCIES ARE PROHIBITED FROM ACCEPTING OR CONSIDERING APPLICANTS FOR COMPETITIVE APPOINTMENTS OR POSITIONS BASED ON POLITICAL RECOMMENDATIONS FROM MEMBERS OF CONGRESS, CONGRESSIONAL EMPLOYEES, ELECTED STATE OR LOCAL GOVERNMENT OFFICIALS, AND POLITICAL PARTY OFFICIALS. SUCH OFFICIALS MAY ONLY SUPPLY STATEMENTS REGARDING THE CHARACTER AND RESIDENCE OF THE APPLICANT.
